

How to Apply

Hello,
My name is Oscar Bueno
and I'm your dedicated
Walden University
Enrollment Advisor.

I've worked as a Walden Enrollment Advisor for 5 years and my job is to help you in making an informed decision about your education. I'm here to answer questions, offer information and ensure that you are aware of the benefits of pursuing a degree at Walden that will give you the skills you need to make a positive impact in your future and in your community.

Please let me know how I can help!
For more information about anything from our programs, to the course structure, or about financial aid, please email me at:
oscar.bueno@waldenu.edu

Congratulations on deciding to continue your education, and thank you for considering Walden University. As you launch your academic career, you may have considered the benefits of earning **two degrees at the same time**.

Through the partnership with Walden, a U.S. regionally accredited online university, you are able to pursue a second degree that will empower you to affect a positive social change and prepare you for the competitive residency match process by enhancing your academic credentials and developing your professional perspective.

Reputation matters, and Walden University is an accredited online institution celebrating more than 40 years of serving the higher education needs of working professionals.

Compete Advantage

Walden programs can help you develop critical and creative thinking skills required to address individual health needs, as well as local and global communities through healthcare services, research and education. Walden's concurrent curriculum will augment your clinical knowledge and enhance your understanding of the evolving healthcare delivery system. Medical students require a sound understanding of administrative policy and practices to administer care both effectively and efficiently in a rapidly changing environment.

Tuition Reduction

Qualifying medical students accepted to a Walden program are eligible for a **20% tuition reduction** for the life of the program. Please contact your Enrollment Advisor to apply the reduction.

Walden Support Services

Walden's Career Services Center can help you maximize your resume building, and interviewing skills so that you can compete at a higher level. The results of the 2014 National Residency Matching Program® (NRMP®) showed that 53% of US International Medical Graduates successfully matched.*

The Walden Library offers more than 50,000 full-text journals, 90 databases, 100,000 electronic books, and 1.5 million dissertations—available at any time, online.

Financial Aid Eligibility

If you are a U.S. citizen or a permanent resident, you may be eligible to receive federal financial aid, which can help you fund your Walden Program. Walden University is certified by the U.S. Department of Education to participate in a variety of grant and loan programs available to U.S. citizens. New and current students must meet eligibility requirements to receive and maintain federal student aid.

Qualifying Canadian Walden Students may also have access to funding from some Canadian provinces. Inquire with your Enrollment Advisor for further details.

International Students have access to private loans. Please inquire with your Enrollment Advisor for further details.
